SCREEN SHOT 5
  A. Close all windows and restart your computer
 B. You should now be able to register for classes on-line using your MAC. GOOD LUCK!

iPad Users

A similar fix can be done in "Settings" on your iPad.

 See screen shot on next page for details.

>Scan left-hand column called **General** to find "Safari."

>On right hand column under "General," unblock pop-ups by clicking **"Block Pop-ups"** from green to grey.
>Under "Privacy & Security," unblock line for **"Block All Cookies"** by turning icon from green to grey.

Registration and communications with ILR should be improved.
